

6 DAYS CAPRIVI (ZAMBEZI) – ETOSHA SAFARI

DAY 1 We head northwards to the wetlands paradise and our lodge on the banks of the Okavango River. The sun is greeted from the deck of a river boat while sipping sundowners. A luxury tent awaits our dreams, accompanied by the calls of hippos and elephants.

DAY 2 Early morning in Mahango National Park we'll go stalking elephants, buffaloes and rare antelope like sitatungas, roans and sables. After breakfast we head to eastern Caprivi, arriving early afternoon at our lodge on the Kwando River. Dusk is spent on a river boat watching the reeds for birdlife.

DAY 3 We wander through the reeds and greens wards of the Kwando at sunrise. By afternoon will be in the Susuwe National Park, a pristine and diverse piece of Africa. Following sandy tracks with our 4x4 we make our way through Big Five country.

DAY 4 We turn westwards again in the early morning, along the Caprivi Strip back to the lodge on the Okavango River. Later we'll visit the Buffalo

National Park, where huge herds of buffalo roam. Our travels end back at the lodge to reminisce about the rewarding day.

DAY 5 Today we head southwards to the Etosha National Park, entering at the old fort Namutoni and spending the afternoon trawling the largest national park in the world. At sunset we leave the Park to spend the night at our lodge on the perimeter.

DAY 6 At start of day we are back searching for elephants taking a bath or lions resting in the shade after a successful hunt. After this early game show we leave for Kambaku Safari Lodge.

BIG FIVE SAFARI

Experience national parks abounding in game, accommodation in luxury tents and boat tours in the red glow of sunset during a 6 day safari in northern Namibia.
